Job Opportunity in Jeddah, Kingdom Of Saudi Arabia  
I hope that this email finds you fit and well.  
If you think it would be useful for any other friend of yours kindly forward.  
Send CV to : [murali@carlogavazziarabia.com](mailto:murali@carlogavazziarabia.com)

### **INDIA - LIST OF CATEGORY**

SR. NO.	CATEGORY AS PER VISA ALLOTMENT	QTY.	CATEGORY USED FOR	ADDITIONAL CATEGORY REQUIRED	QTY.
1	Electrical Engineer	24	✓	Mechanic	1
2	General Elect. Technician	36	✓	Commissioning Engineer	3
3	QA/QC Engineer	5	✓	Document Controller	2
4	Welder	8	✓	Material Coordinator	2
5	Inst. Fitter / Conduit Fitter	16		Secretary	2
6	Instrumentation Tech	15		Superintendent	5
7	Pipe Fitter	10	✓	Site Manager	2
8	General H.D. Driver	4	✓		
9	H.D. Driver	2	✓		
10	Crane Operator	2			
11	Elect. Instrum. Eng.	5			
12	Quality Eng.	12			
13	Safety Inspector	10			
14	Elect. Instrum.Tech.	15	✓		
15	Cadd Operator	5			
16	Elect. Tech	12	✓		
17	Doc. Controller / Secretary	4	✓		
	<b>TOTAL NUMBER OF VISAS</b>	<b>185</b>			

### **PHILIPPINES - LIST OF CATEGORY**

SR. NO.	CATEGORY AS PER VISA ALLOTMENT	QTY.	CATEGORY USED FOR	ADDITIONAL CATEGORY REQUIRED	QTY.
1	Electrical Engineer	16	✓	Commissioning Engineer	5
2	General Elect. Technician	30	✓	Commissioning Technician	5
3	QA/QC Engineer	5	✓	Document Controller	3
4	Welder	8	✓	Material Coordinator	3
5	Tools Installatin Labor	10	Inst. Fitter /Conduit Fitter	Secretary	2
6	Instrumentation Elect.	12	Inst. Technician	Superintendent	5
7	Pipe Fitter	10	✓	Site Manager	2
8	H.D. Driver	2	✓		
9	Fork Lift	2	Operator		
10	Hoisting Machine Operator	2	Crane Operator		
11	Cars Monitored	4	Mechanic		
12	Elect. Instrum. Eng.	5	Inst. Engineers		
13	Quality Eng.	6	QA/QC		
14	Safety Inspector	10	Safety		
15	Elect. Instrum.Tech.	13	✓		
16	Electrical Draftsman	3	Cadd Operator		
17	Elect. Tech	30	✓		
18	Nurse	2	✓		
	<b>TOTAL NUMBER OF VISAS</b>	<b>170</b>			

## RECRUITMENT PROCEDURES

SR. NO.	CATEGORY	QUALIFICATIONS	EXPERIENCE
1	Site Manager	Graduate in Electrical and/or Electrical & Mechanical Discipline	Minimum of 10 years out of which at least 5 years in middle east, in construction of industrial plants such as petrochemicals, refinery, power, steel, water desalination plants.
2	Site Engineer	Degree or diploma in Engineering	Total experience of about 10 years. Minimum experience of at least 5 years in gulf mainly in construction of electro-mechanical industrial projects. Should be familiar with international codes and standards, must be able to understand jobs specification, prepare installation details, material take-off from drawings and engineering calculation for power, cables and lighting system.
3	Design Engineer – Elect./Instr.	Graduate in Electrical / Instrumentation	5 years experience in refineries / petrochemical projects - design experience with consulting engineering firms will be an essence in selection for design engineers.
4	Sr. Elect./instr. Engineer	Graduate in Electrical / Instrumentation Engineering	7-10 years construction projects experience like Aramco, Sceco, Sabic. Must have proficiency in field engineering.
5	Senior Estimator	Graduate in Electrical Engineering	Estimation experience of 5-7 years in middle east countries will be an essential element in candidature selection - estimating electri instr & mech of industrial plant is mandatory.
6	Estimators – Elect./Instr.	Graduate in Electrical and/or in Electrical & Instrumentation Discipline.	Must have worked in bidding department in reputable electromechanical construction company, having experience of at least 5-7 years in estimating projects: preparation of detailed B.O.Q, estimating manpower & costing of material, prepare manpower loading charts, equipment list, progress curves, etc.
7	QA/QC Engineer / Inspector	Degree in Electrical Engineering	Total experience of about 10 years. Minimum 5 years in the gulf with international construction companies and mainly in quality assurance and quality control for construction projects. Should be familiar in ISO 9001 and will be responsible in establishing the QA/QC department.

8	Safety Engineer / Inspector	Degree or Diploma in Electrical Engineering and recognized Certificate for Industrial Safety	Total experience of about 5 years. Minimum 5 years in the gulf, mainly in construction projects, preferably petrochemical plants / refineries, etc.
9	Planner / Scheduler	Graduate in Electrical Engineering	Minimum 5 years experience in project planning and scheduling of construction activities, power plants or heavy industrial plants / petrochemical plants. Well versed with primavera programme.
10	Quantity Surveyor	Graduate/Diploma in Electrical Engineering	Minimum 5 years experience in gulf, must be able to measure quantities of work done on site and report data entry on computers. Computer knowledge in excel is essential. Experience in primavera planner v will be an added advantage.
11	CADD Operator	Diploma in Electrical Engineering	Total experience of about 8 years. Minimum 5 years on cad release 2000 and micro station, having work in a design consulting firm engaged in preparation of electrical drawings for industrial plants.
12	Technical Secretary	Bachelor Degree	Total experience of about 10 years. Minimum 5 years in the gulf with construction companies. Familiar with Microsoft Office, minimum typing speed 45 wpm, shorthand 80 wpm, capable for self correspondence and preparation of daily report & schedule.
13	Supervisor Elect. / Instr.	Graduate/Diploma in Electrical Engineering	5 years experience in refineries / petrochemical projects - design experience with consulting engineering firms will be an essence in selection for a design engineers (electrical).
14	Supervisor - Piping (FRP Pipe / Fiber Glass)	Degree in Mechanical Engineering - Welding Certificate from ASME/ASS preferred.	Experience in welding supervisions and fabrication of pipe shoe supports, pipe joints (bevel welding, butt welding & tig welding). Experience in fiber glass pipes joints up to 20" dia.
15	Supervisor/Foreman - Scaffolding	Diploma/Certificate in Scaffolding	Minimum 5 years experience in middle east, must be able to measure quantities of work done on site and report data entry on computers. Computer knowledge in excel is essential. Experience in primavera planner-v will be an added advantage.
16	QA/QC Inspector - Electrical	Graduate/Diploma in Electrical Engineering	Total experience of about 10 years. Minimum 5 years in the gulf with international construction companies and mainly in quality assurance and quality control for construction projects. Should be familiar in ISO 9001 and will be responsible in establishing the QA/QC department.

17	Instrument Technician	Diploma/Certificate Course in Instrumentation	5-8 years experience in installation & calibration of field instruments.
18	Instrument Fitter	Diploma/Certificate Course in Piping/Tubing.	5-8 years experience in instrument tubing & leak testing.
19	Electrician	Diploma/Certificate Course in Electrical	5-8 years experience in cable glanding & termination. Understanding of electrical / instrumentation termination drawings.
20	Conduit Fitter	Diploma/Certificate Course in Pipe Fitter.	5-8 years experience in electrical conduit (including PVC coated conduits) installation.
21	Cable Installation Technician	Secondary School Passed	4-6 years experience in cable pulling.
22	Pipe Fitters - Fiber Glass	Diploma in Mechanical Engineering	Experience in fabrication of pipe shoe supports, pipe joints (bevel welding, butt welding & tig welding). Experience in fiber glass pipes joints up to dia 20", fiber glass routing and pipe bonding.
23	Welding Inspector	Certificate of Society of Welding Inspectors (CSWIP)	5 years experience in industrial plants such as petrochemicals, refinery, power, steel, water desalination plants.
24	Fabricator	Diploma/Certificate Course in Mechanical	5-8 years experience in fabrication & installation of cable tray, conduit, equipment, lighting, field devices etc supports.
25	Heavy Equip. Operator		5-8 years of heavy equipment operations with valid license, at least 2-3 years experience in gulf countries.
26	Heavy Driver		Minimum 5 years of experience in gulf countries driving heavy duty vehicles with valid heavy duty license.
27	H.D. Mechanic	Diploma/Certificate Course in Automobile	5 years practical experience in repairing and maintenance of electrical and hydraulic lifting equipments, cranes up to 50 ton capacity, fork lifts, petrol / diesel vehicles.
28	Lathe Machine Mechanic	Diploma/Certificate Course in Workshop Technology	5 years experience in lathe machine

### சேவையின் நோக்கம்

- சேவை செய்யும் போது பலனை எதிர்பாராதே.
- உயர்ந்த இடம் கிடைக்கும் என்ற நோக்கத்தோடு சேவை செய்யாதே.

இந்த நாள் இனிய நாளாக அமைய வாழ்த்துக்கள்.  
அனுதினமும் ஆனந்தமாய் வாழ்ந்திட வாழ்த்துக்களோடு,  
நன்றியுடன் என்றும் உங்களுக்காக உங்கள் ரமேஷ் (050-5865375)
